

Train hard. Fuel smarter.

Personalized nutrition, recovery, and training guidance designed for college student-athletes.

Build My Plan

Fuel your performance.

Eat for Energy
Build balanced meals that support busy days, workouts, and practices.

Hydrate to Perform
Simple hydration goals help you stay ready before, during, and after training.

Recover Stronger
Use sleep, protein, and smart recovery habits to come back stronger.

Your game plan, simplified.

- Tell us your sport**
Choose your sport, position, goals, and training schedule.
- See your starting plan**
Get clear daily targets for calories, protein, hydration, and recovery.
- Build better habits**
Use practical meal, hydration, and recovery ideas that fit your routine.

Create My Plan Explore Guides

Nutrition built for your sport.

Pre-Game Fuel
What to eat before practice or competition for steady energy.

Recovery Nutrition
Simple food choices that help your body rebuild after training.

Built for real student-athlete routines.

“FitGuide made my nutrition goals easy to understand.”

Maya W.
Club Soccer Athlete

“I feel more prepared for every practice.”

Jordan T.
Track & Field Athlete

“Small changes helped my recovery so much.”

Alex R.
Basketball Athlete
